

Introducing the new Junior Surf Sport Programme

Over the last 5 years the Club has been very fortunate to be able to offer athletes a sports programme run by experienced surf coaches. Our presence at competitions has increased significantly and the royal blue and white club colours have been proudly displayed on the podium many times.

We believe this programme provides young athletes with a pathway to developing their own strength, build confidence and determination while improving their surf skills.

Unfortunately, it has become more difficult to secure grant money to cover all of the costs of this intensive coaching programme. The club is now forced to move to a more sustainable approach and will not be able to provide these services free of charge.

The programme is available to the 10+ year old athletes in the Development and Oceans Squad.

The fee with include;

1. Being a member of the surf sport programme
2. All surf sport coaching as well as visiting speciality coaches
3. Board hire (subtracted for those who own their own boards)
4. Ocean Swim Series
5. Saturday and Sunday programmes
2. Coached weekday after school sessions from 13 November
3. Written programme provided for independent or parent-directed sessions (optional)
4. Intensive school holiday surf sport programme
5. Personalised programmes for out-of-town athletes
